

Jebel Ali is one of the leading Not for Profit Schools located in the dynamic city of Dubai. The school first opened its doors to Primary students in 1977 and has provided the children of Dubai with an outstanding education for over 40 years. In 2016, the school moved to a fabulous new campus in the Damac Hills area of the city and is now open to Students from FS1 to Year 11. In September 2021 the school will welcome its first Sixth Form students. Our campus contains state of the art facilities including a standalone Foundation Unit, Primary and Secondary Schools as well as some of the most impressive sports facilities in the city. Known and admired as the original Dubai community school, the school currently has 1,240 students on roll of whom approximately 46% are British/Irish with an additional 53 nationalities represented. Jebel Ali School follows the English National Curriculum to GCSE and 'A' Levels.

The school has an enviable reputation for success, not only in academics but across whole child education. A national survey (whichschooladvisor.com) in 2018 identified Jebel Ali as the school with the highest positive rating from students, parents and teachers in the cities of Dubai and Abu Dhabi. The 2018 DSIB Inspection Report states that “the students personal and social development is exemplary” and “their behaviour, work ethic and attitudes to learning and to others are beyond reproach.” This is supported by “high quality teaching and assessment.” Additionally, we have one of the lowest staff turnover rates in Dubai with an annual staff turnover of less than 6%.

We believe in creating a positive, secure and happy community which nurtures risk taking, inquisitive and innovative learners. Crucially we expect our teachers to be as risk taking, inquisitive and innovative as their students. We have an exceptional group of staff who work tremendously hard, as a team, to create the right atmosphere to inspire our young learners both inside and outside of the classroom. All contribute to our extra curricular programme.

The school is inclusive and accepts a wide ability range with the vast majority of students and parents taking pride in, and fully supporting, the school. Our students leave us with confidence, strong interpersonal skills and with sufficient adaptability, resilience and understanding to be successful in the world of both today and tomorrow.

We have created a warm, family atmosphere where everyone feels valued. Everything that happens here is for the benefit of the students. Equally, though we have a passion for learning, we all attempt to ensure we retain a sensible work - life balance. Tired teachers do not inspire their students!

If you would like to join this unique and inspirational community then please read the attached information carefully (including our Child Protection Statement) and complete the application form. I look forward to hearing from you!

Lizzie Robinson
Principal

Jebel Ali school is committed to safeguarding and promoting the welfare of its students and successful candidates will be subject to a UK ICPC check “International Child Protection Certificate” and relevant national police checks. Successful candidates are also reminded that their ID and qualifications will be checked at interview.
